

Exploration Guide: Our Solar System

A Tech-Center Exploration of Space & the Planets

Launch Four: Space Words

- Step 1:** Read the directions on Launch Page 4 carefully.
- Step 2:** Click on the words "StarChild Glossary."
- Step 3:** You will see a green chalkboard with letters across the top.
- Step 4:** Click on the letters at the top of the chalkboard to find the words on the list below. Read the definition for each word, and copy it down on this paper.

Astronaut

Comet

Crater

Galaxy

Meteorite

NASA
