

# NE CONTINUOUS IMPROVEMENT/NeMTSS WORKSHOPS

## The Coherence is Real:

*Embrace continuous improvement as an ongoing, routine process.*

Join members of the host ESU, the Accreditation Office, and NeMTSS for a day of interactive learning. Receive guided practice on updated materials from Nebraska Continuous Improvement and learn about the corresponding NeMTSS essential elements to increase the efficiency and clarity surrounding action planning. Team time will be embedded throughout the sessions and teams will also receive specific support regardless of CIP cycle year. We look forward to supporting you and your team!

**These workshops are intended for district and school leadership teams.**
