***More than b/d reversals: Spotlight on Dyslexia***

**During this interactive session:**

- We will look at the roles and responsibilities of educators in developing and implementing evidence-based practices and accommodations, and provide perspectives for creating a more inclusive classroom environment for students having or suspected of having dyslexia.
- An explanation for how to identify specific skill deficits, provide intervention, and progress monitor skill development will be provided.
- We will highlight aspects of the [Nebraska Dyslexia Guide](#) and share many practical resources. We encourage your questions about dyslexia, evidence-based interventions, dyslexia legislation in Nebraska, and how to use the NeMTSS framework to best serve Nebraska students.

**Morning refreshment and lunch will be provided. \$15 per participant will be taken from your schools service credit until funds are depleted then schools will be billed.**
