Stipend Eligibility	Title IIA
Target Audience:	5th and 6th grade science teachers
Description:	For schools looking to implement high quality instructional materials at the elementary level in science, ESU 5 will be providing training in the newly released OpenSciEd elementary materials. This workshop will focus on the unit that will be implemented as the first in the series of 4 units. ESU 5 schools can have access to material kits to take with them for the start of the school year on this day. This day is for grades 5 and 6.
Materials Required:	Computer and writing utensil
Presenters:	Annette, Matt and Patrick
Questions for ESU Organizer:	Annette Weise - awaise@esu5.org
