Registration Information & Fees:	Register with ESU #5 (www.esu5.org) Go to Events Registration Deadline: 3/26/2027 Cost: \$20 per participant will be taken from the school's service credit until funds are depleted, then schools will be billed. Food: Morning Refreshments and Lunch will be provided
Stipend Eligibility	No
Target Audience:	Special and general education teachers, building-level administrators, and Continuous Improvement team members
Description:	The Nebraska TIP Workshop provides district and school leadership teams with dedicated time and support to develop a comprehensive, data-driven Targeted Improvement Plan (TIP) for submission to the Nebraska Department of Education. Through guided facilitation, participants will analyze multiple sources of student and implementation data, identify root causes, prioritize improvement goals, and develop evidence-based strategies aligned to district needs. The workshop also provides opportunities to collaborate with leadership teams from across Nebraska, share effective practices, receive feedback, and strengthen continuous improvement efforts. By the end of the session, teams will leave with a refined TIP that meets submission requirements and includes clear action steps, progress-monitoring measures, and implementation plans designed to improve outcomes for all students. This workshop is intended for district and school leadership teams responsible for continuous improvement planning and TIP development.
