Target Audience:	Teachers who need to learn how to use the GOLD Objectives for Development and Learning.
Description:	In this 6-hour session designed for new customers beginning a journey with GOLDFinch™, we will explore how assessment supports responsive and effective teaching. Teachers will learn how to use the GOLD Objectives for Development and Learning and progressions of development and learning to focus observations. They will also learn about how literacy screening, formative observational and game-based assessment can provide you with a comprehensive understanding of children's knowledge, skills and abilities to inform your daily instruction. GOLD observational data will be enhanced by Finch Formative Games and the Finch Literacy Screener, and you will leave prepared to use all three.
