<b>Stipend Eligibility</b>	Title IIA
<b>Target Audience:</b>	3-6 grades teachers of science
<b>Description:</b>	This session will provide Unit 1 training for teachers who are planning on utilizing the OpenSciEd Material during the 2026-2027 school year. The training will be specific to the first unit that will be taught so that teachers feel confident starting the school year with this program. We will look deeply at the content of the unit, where to find the needed materials, items that the ESU has created to allow for easier implementation, and curriculum documents that are being built. It will give staff an opportunity to experience the science in the unit and know what to teach and where the boundaries are with the content.
<b>Materials Required:</b>	Computer
<b>Presenters:</b>	Annette, Patrick, Matt
<b>Questions for ESU Organizer:</b>	Annette Weise - <a href="mailto:awaise@esu5.org">awaise@esu5.org</a>
