<b>Title IIA Eligibility</b>	No
<b>Target Audience:</b>	Teachers
<b>Description:</b>	<i>Trees &amp; Me: Activities for Exploring Nature with Young Children</i>  Encourage early learners' natural curiosity in nature and guide them in multi-disciplinary learning experiences! Project Learning Tree uses an interdisciplinary curriculum to teach students how to think, not what to think, while using trees and forests as "windows to the world."  <a href="#">Trees &amp; Me</a> is designed to provide opportunities for young children to experience nature, with a particular focus on trees and is an invitation to increase the quantity and quality of the experiences your children have with nature. It provides fun experiences to explore elements of nature, both indoors and outdoors.
<b>Materials Required:</b>	Laptop
<b>Presenters:</b>	<i>Jack Hilgert from the Nebraska Forest Service</i>

**Questions for  
ESU Organizer:**
