Description:	<p><i>Objectives:</i></p> <ol style="list-style-type: none"> 1. Understand the components of a <u>Guaranteed and Viable Curriculum (GVC)</u> and its importance in student achievement. 2. Explore strategies for ensuring <u>fidelity to the core curriculum</u>, including alignment with standards and assessment practices. 3. Develop an <u>instructional model</u> that supports the implementation of the GVC and promotes student learning. 4. <u>Create a plan for solidifying the core in your district</u>, including setting growth targets and implementing strategies for continuous improvement. <p><i>Brief Description:</i></p> <p>Join us for a deep dive into "Solidifying the Core" as we explore the critical components of a Guaranteed and Viable Curriculum (GVC), fidelity to the core, and instructional models. Participants will develop a comprehensive plan for their district, setting growth targets and implementing strategies for continuous improvement. This session empowers Nebraska educators to strengthen their core curriculum and enhance student achievement.</p> <p><i>Summary:</i></p> <p>Are you experiencing challenges in achieving high success rates for the majority of your students with the core curriculum? Do more than 10-20% of students require Tier II and/or III interventions? It's time to revisit and fortify the core together. Join us for 'Solidifying the Core,' where we address the imperative nature of ensuring widespread student success with the core curriculum. Dive into the essential elements of a Guaranteed and Viable Curriculum (GVC), fidelity to the core, and instructional models. Gain practical insights and strategies for fortifying your district's core curriculum, establishing growth targets, and implementing effective instructional practices. Leave empowered to elevate student achievement and solidify the core in your district.</p>
