

TARGETED IMPROVEMENT PLAN WORKDAY

**THURSDAY
FEBRUARY 4, 2027**

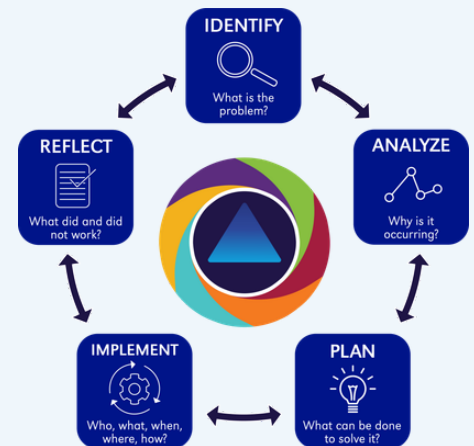

9:00-3:00

Join the ESU, Office of Special Education, NeMTSS, and Technical Assistance Partners **at ESU 5** for a day filled with learning and planning.

In building capacity for the scale-up of the MTSS framework and to support districts in an environment of strong local control, each district is required to review their student data and establish a Targeted Improvement Plan (TIP) that focuses on literacy.

Participants will:

- Determine guiding factors of inclusive practices at federal, state, and local levels.
- Access the portal used to upload the TIP
- Begin writing portions of the TIP
- Reflect on what did and did not work within the current TIP.
- Identify factual data points, strengths, and areas for growth.
- Analyze root causes with intentional focus on literacy.
- Plan how to eliminate the root causes while concentrating on inclusive practices and implementing an evidence-based strategy with fidelity.
- Implement action steps considering ESU, NDE, and TA Support.
- Recognize opportunities to connect additional action plans and district initiatives.

Who needs to attend?

- **District Leadership Teams with membership including individuals who have:**
 - Knowledge about district goals and initiatives (e.g. TIP, Corrective Action Plans, Title I, Continuous Improvement Plan, etc.)
 - Access to ILCD
 - Access to district data and NEP Secure
 - Administrative decision-making responsibility
 - General education background
 - Special education background
